We are glad to announce this special issue of the Plato Journal (6/2016) which consists of the proceeding papers of a workshop with the title 'Ways of Interpreting Plato' organized by Lloyd Gerson at the University of Toronto in March 11-12, 2016. The volume opens with an introduction by Lloyd Gerson and includes five papers, along with the comments of the corresponding respondents. We would like to thank Lloyd Gerson and the contributors for choosing the Plato Journal as the venue for their work.

The Plato Journal accepts submissions on Plato and the Platonic tradition and responses to Platonic scholarship, in the form of single papers, notes, or proceedings. All submissions are refereed (through a double-blind peer-review process) by expert readers, including a native or fluent speaker of the language of the article.
